FROM

K.R. Srinivasiengar, Esquire, M.A.,

Revenue Commissioner in Mysore.

To

The Chief *Secretary to the Government of*
His Highness the Maharaja of Mysore,

SIR,

In forwarding herewith a copy of letter No.2219 dated the 15th/16th January 1919 from the Food Controller in Mysore together with its enclosures, I have the honour to recommend that, for reasons stated therein, the sanction of Government may be kindly accorded as a special case to sell the 100 pallas of Rangoon red rice of the first consignment supplied to Chickmagalur at 6 seers a rupee. As its cost at Chickmagalur is understood to be Rs.23/- per palla, the total loss comes to about Rs.650/-.

I may mention here that Government had authorized the sale of Burma rice at Rs.20/- per palla at Mysore and Shimoga in their orders Nos.G.10553-8/P.P.134-18-59 and G.10776-81/P 134-13-69 dated the 4th and 6th December 1918 respectively & the rice now at Chickmagalur will, it is feared, not find a ready sale even at 6 seers a rupee.

I have the honour to be,

S i r,

Your most obedient servant,

Revenue Commissioner.

SUBJECT.

Recommending that the sanction of Government as a special case to sell the 100 pallas of ~~red~~ Rangoon red rice of the first consignment supplied to Chickmagalur at 6 seers a rupee.

Letter No.2219 dated 15th/16th January 1919 from the Food Controller in Mysore, Bangalore, to the Revenue Commissioner in Mysore, Bangalore.

I have the honour to forward herewith a copy of letter No.H.C.601 of the 6th January 1919 from the Deputy Commissioner, Kadur District, and a copy of its enclosure, requesting that the first consignment of Burma rice despatched to Chickmagalur may be permitted to be sold at 6 seers a rupee. It is ascertained that 100 pallas of Rangoon red rice priced at Rs.21/- per palla ex godown Bangalore, were despatched to the address of the Deputy Commissioner, Kadur, on the 16th November 1918 under instructions from the Director of Civil Supplies in Mysore. The cost at Chickmagalur, I understand, is about Rs.23/-. The Deputy Commissioner's proposal to sell the rice at 6 seers a rupee or about Rs.16-8-0 per palla would involve a loss of Rs.6-8-0 per palla or about Rs.650/-. At the same time there is no doubt that this is inferior rice as you have yourself observed in your tour and I doubt whether it will find a sale at a higher price than 6 seers a rupee. The rice is likely to be spoilt if kept much longer and I request that the orders of Government may be obtained to dispose of the rice at the price recommended by the Deputy Commissioner.

Food Controller in Mysore.

Letter No.110 dated 31st December 1918/ 2nd January 1919 from the President, Chikmagalur Municipal Council, to the Deputy Commissioner, Kadur District.

With reference to your memo No. H.C. 601/17-18 dated the 28th December 1918, I have the honor to state that the 1st consignment of rice received from the Director of Civil Supplies in Mysore is very bad and is lying in the depot unsold. When Mr. Matthan the Food Controller visited this place I represented to him that if I am allowed to sell the same at 6 seers a rupee I would be able to dispose of the rice as early as possible. He replied to me saying that by selling at 6 seers there would be a loss and also told me to communicate my opinion through you in the matter (The reply received from the Food Controller is herein enclosed for kind perusal and favour of doing the needful in the matter).

2. As regards the second consignment of rice supplied from the Director of Civil Supplies, I have to state that it is a better quality and is being sold at 4½ seers a rupee as per instructions of the Food Controller. The amount is being credited as they are recovered from the sales. A detail statement showing the quality of rice sold and the amount realised therefrom will be forwarded to you as early as possibl
